OTHER SKILLS

Flexibility and availability. Good resistance to stress. Motivation and tenacity to follow one's goals (leadership)

Good organizational skills acquired during university attendance, also obtained with the presentation and establishment of specific projects and insights carried out together with other students of my same course. I have a good ability to work both in a group and independently and to adapt to new contexts.

Excellent relational and communicative competence at work and social level with other people, acquired during my working activity in the tourism - seaside sector and during my university attendance in debates and conferences. I am able to relate to people of different nationalities and cultures thanks to the experience gained abroad during my ERASMUS period.
